Do you enjoy expressing yourself

through clothing, makeup and performance? Do you have an alter ego that is just waiting to hit the stage? Our new two week senior Drag Camp might be just your cup of tea, honey! Led by some of Vancouver's established and emerging drag artists, you'll learn how to access your inner confidence, show your true colours, and maybe even let out that inner diva! Join some of Vancouver's most amazing drag artists and learn how drag can brighten up your life! You might be wondering, is drag for kids? Drag is for everyone! Parents, ask yourself, what's the difference between what you wear at home versus what you wear at work? You're doing drag honey, you just don't know it!

All students will be provided with a Drag Makeup Starter Kit!

More details about this will be provided closer to the date of the camp.

Weather permitting, students will spend some class time outside.

Don't forget to pack a waterbottle, some snacks and a lunch!
