Dear Betsy Sasnett:

We have approved your request received June 10, 2024, to supplement your Biologics License Application (BLA) submitted under section 351(a) of the Public Health Service Act for Whole Blood and blood components to manufacture the products listed below, for the treatment of COVID-19 in patients with immunosuppressive disease or receiving immunosuppressive treatment:

- Convalescent Plasma, High Titer, Anti-SARS-CoV-2 (Whole Blood-derived)
- Apheresis Convalescent Plasma, High Titer, Anti-SARS-CoV-2

We hereby approve the 18 container labels submitted under amendment #5001, dated August 21, 2024, and the addendum to your Circular of Information submitted under amendment #5004, dated November 6, 2024, which must be available for distribution with the above products.

This approval applies to your establishments listed in Attachment A, operating under U.S. License Number 1875.

We will include information contained in the above-referenced supplement in your BLA file.

Sincerely,

Orieji Iloh, MD  
Acting Director  
Division of Blood Components and Devices  
Office of Blood Research and Review  
Center for Biologics Evaluation and Research
