Like us, the Spaniards relaxed their lockdown at Christmas - if anything more so and for longer.

The numbers are startling.

Deaths Per Million of Pop.	July	August	September	October	November	December	January
UK	12	5	10	65	175	222	482
ANDALUCIA	1	9	44	96	189	78	116

The death rate in Andalucía almost halved following the introduction of their Vitamin D policy. Tragically, here in the UK our death rate more than doubled over the same period, despite us having 5x the vaccinations.

Monthly Deaths per Million UK v Andalucia
